# The Gap UC Small Groups

Everyone needs a place to belong. At The Gap Uniting Church, Small Groups are the primary way in which we connect with, care for, and grow one another as followers of Jesus.

A Small Group is made up of a handful of people who meet regularly, who share life and faith together, building real connections and supporting one another, through the highs and lows of life.

Small Groups provide opportunities for:

- connection – a sense of belonging;
- trust – a safe place to share;
- care – nurturing & sharing God's love & support;
- growth – intentional faith growth & accountability.

Fulfilling our Mission Statement "Growing life-long Disciples of Christ"

What does a Small Group look like?

- Ideally 6 – 8 people (no more than 12)
- Meets regularly (every 2-4 weeks)
- Reviewed annually for purpose, program, people, priorities & pathways
- Has a designated facilitator
- Has the support & feedback from Engage-In team; and
- is recognised as an activity of TGUC.

Every Small Group will look different. People are different and in turn, each Small Group will have its own style, interests, purpose, activities and depth.

Of utmost importance is Confidentiality and Trust
